

OOPM PROJECT INSTRUCTION MANUAL

SIGN LANGUAGE TRANSLATOR

MANN SANGHVI 8904

SUMIT KOTHARI 8878

HOW TO USE OUR WEB APP:

- Once you open our website , scroll down to the grid where you will be able to see the different categories available.
- Click on the text in the grid to open the respective category and see all the translations available in that category. eg. To see the translations available in the PLACES category click on the “Places” text.
- Once you click on the text, you will be able to see all the translations available in the category.
- Choose the English text for which you want to see the equivalent sign language translation.
- Once you have picked the English text , scroll up and type the exact words in the search bar or click on the search bar and speak the exact words (voice input).
- After giving the input in the search bar, click on the submit button.
- Once you click on the submit button, the sign language GIF will be available in the display box at the bottom of the page.
- You can check each and every translation available in different categories , by following the same procedure.
- If you want to download any particular sign language GIF , type the exact English text in the search bar below the display box and click on download button to download it to your local storage.
